假如你是 Joe, 你校校报正在通过邮件评选最受欢迎的一个栏目 (section), 备选栏目如下:

School Sports

Word Games and Crossword puzzles

School Clubs

Book or Film Reviews

Poems by Students

请给校报写封邮件, 谈谈你的选择, 并简要说明理由

I've heard that the school is selecting the most popular section. I think I will choose section "Word games and Crossword puzzles" because it can help me increase my vocabulary and improve my language skills. I always love solving puzzles, and the appearance of "Word games and Crossword puzzles" just met my needs. I hope everyone could enjoy the fun of "Word games and Crossword puzzles".

你和你的一家人刚搬到上海郊区的一个城镇, 你打算给你的朋友 Jane 寄一张小镇风景的明信片。

In your post card to friend, you should

Introduce the town briefly

explain why you have moved

say what you like and dislike about living here

I have just moved to a new house in Greenland town. Let me introduce it to you Greenland town is about 15 km south of Shanghai city. It's about 2 square km. The public transportation there is very convenient I can take both metro and bus there. I moved there because I like quiet places. I like to Greenland town very much because it's very quiet. Welcome to visit my new house!

2023 年一月, 中国工信部等 17 个部门对外发布机器人应用行动方案提出了十大应用场景, 请你就机器人进入教室, 结合实际, 展开想象, 谈谈你的想法, 表明你的观点。

I think robots entering the classroom is great there are many advantages robots teacher can do a lot of things, such as giving us partial advice, responding to questions, and so on. They can even do more than human teachers. If robots enter the classroom, different students can have a different robots teachers. They can have their own learning schedules. This will help the students a lot. I hope robots will enter the classroom in the future.
